What is the Meaford Dragon’s Event?

This annual event is the economic backbone of small business growth in the Municipality of Meaford. Each year, contestants compete for 5 spots at the main event, where they can win cash and prizes to put towards starting their own small business, or expanding an existing small business. They’re provided with invaluable business training and advice, including assistance with creating an effective business plan. On average, 20% of small businesses make it to the five-year mark, however Meaford Dragon’s winners have a 60% success rate. This provides a boost to our local economy that keeps Meaford moving forward.
